- ✓ Exhaust Fan Replacement

Edison Township Public Schools selected DCO Energy to develop and implement an Energy Savings Improvement Program (ESIP) Project. The ESIP Project was focused around LED Lighting Upgrades, Districtwide Energy Management System Upgrades, Boiler Replacements, and adding cooling to their FDR Round Building. The District will see a significant reduction in their energy and operational costs due to the implementation of this legacy project.

### TOTAL ANNUAL ENERGY SAVINGS

\$1,584,095 annual energy savings

### RENEWABLE ENERGY

15-year Solar Power Purchase Agreement

### STATUS

Construction Phase

### LOCATION

312 Pierson Avenue, Edison, NJ 08837
